Vail, 27" High, Edition of 15, 2009 Bronze

Name: David Pearson

Artistic Medium (or media): Copper, tin, zinc, mud & oil.

Southwest Connection: I was born in New Mexico (in Tucumcari) and I have lived in Santa Fe since I was 8 years old. Both my parents were born in New Mexico. All of my children were born in New Mexico. I've traveled around the world, but I make my home in New Mexico.

What do you consider your biggest accomplishment: Being born. Do you know what the odds are?

What do others consider your biggest accomplishment: I honestly don't know.

Favorite artist - Why: All artists are my favorite. To be an artist and to make art - they are all kindred spirits.

Your biggest inspiration: Ancient Civilizations, and Terry Allen. They are good role models.

If I wasn't an artist, I'd probably be : "om-less." But otherwise I'd be a fashion designer.
